

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I can't sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

The taxpayers should remember they are paying for all mistakes made in road building in their county. Remedy—see that none but competent men have charge of the road work.

No county is too poor to have good roads.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

TREES!

We grow a complete assortment of Fruit and Shade Trees, Shrubs, Vines, Roses, Perennials, Evergreens, Asparagus—

Sanitary Meat Market

RAISE HORSES OF BETTER QUALITY.

Large numbers of undesirable, mediocre horses are being turned onto the market at present in all parts of the country in order to save feed, according to reports to the United States Department of Agriculture. As a consequence the market is glutted with commonplace animals of this description to the extent that the prices paid are unusually low. The department urges farmers to raise horses of better breeding and quality. The supply of desirable-quality heavy draft horses or animals suitable for artillery or cavalry purposes is below the demand, while the prices of such animals are correspondingly high. In view of both the domestic and foreign demand during and after the war for quality horses, farmers should begin now to stock up their barns with horseflesh of the desirable type. Under existing conditions feeding stuffs for working animals are extremely high in price. On this account it is imperative that the farmer should winter only work stock of the useful, most efficient, and valuable type. One heavy draft horse will perform the work of practically two undersized, inferior plugs, while such an animal can be fed at about the same cost for maintenance as for one of the plugs. When the farmer desires to sell a heavy horse of quality and breeding he can always locate a ready market, whereas inferior animals ordinarily can be disposed of only at a sacrifice.

BREAKS A COLD IN TWO HOURS. TRY IT!

First Dose of Pape's Cold Compound Relieves All Grippe Misery.

Don't stay stuffed up. Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute. (adv)

Do You Need Glasses?

Let us make a thorough, scientific examination of your eyes, based on ethical grounds, not to recommend glasses unless you need them. Ask yourself these questions: "Do I have headaches, nervous spells, drawn, tired eyes? Does type sometimes blur? Do I see spots before my eyes?" Answer fairly and squarely, for your own good, for over-strain repeatedly day by day will break down the delicate nerves and muscles of the eyes and irreparable injury may result. Our years of experience insures accurate results.

Dr. Wm. Riley Franklin

RED CROSS ACTIVE IN NURSE SERVICE.

In a report just issued the American Red Cross War Council states that 30,000 have been enrolled by the Department of Nursing of the Red Cross to October 1. More than 17,000 of these are serving soldiers and sailors, half of this number already being on duty overseas. About 16,000 of those in service with our forces here and abroad are with the army. Seven hundred nurses, women, have been assigned to the Federal Public Health Bureau or to the Red Cross service in the United States and the remaining 12,000 include those not available or eligible for active service, but who may be utilized for home defense work.

About 9,000 additional nurses will be needed by the army alone before the first of the year, according to the report. Should the war continue on its present scale, it is estimated that the total number of nurses required in the military hospitals here and abroad by next July will be 50,000. These estimates, the report states, are based on an army of 3,000,000 and a navy of 350,000, or approximately one nurse to each 74 of the military and naval population.

To meet the nursing requirements of the coming year a campaign will soon be inaugurated in which each State will receive an allotment, a duplication of the plan by which thousands of nurses were enrolled during the past summer. The department of nursing of the Red Cross is the reserve for the Army and Navy Nurse Corps.

The Red Cross has spent about \$850,000 in equipping nurses assigned to duty abroad. Approximately \$1,500,000 of an appropriation of \$1,719,357 has been expended in equipping base hospital units. The organization has equipped 50 of these units and assisted the Army Nurse Corps in organizing two others for the army since our entrance into the war.

For the navy it has organized or is completing the organization of eight base hospital and seventeen naval station hospital units. Each base hospital unit has 500 beds and 60 nurses. Originally planned to cost about \$35,000 they now cost about \$50,000. In addition to its war service the Red Cross department of nursing is continuing its regular health work in this country. It is supplying nurses at points where contagious diseases appear to be making headway, its most recent activity along this line being its effort to combat the spread of Spanish influenza.

PARIS EVIDENCE FOR PARIS PEOPLE

The Statements of Paris Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof. Public statements of Paris people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Paris statement. And it's for Paris peoples' benefit. Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

J. W. Larkin, farmer, 431 High street, says: "I am only too glad to recommend Doan's Kidney Pills, because I have at times had quite a bit of trouble with my back. Often I had a dreadful ache across my kidneys and the kidney secretions were too frequent in passage. A box or so of Doan's Kidney Pills at these times has never failed to cure me of an attack."

Mr. Larkin is only one of many Paris people who have gratefully endorsed Doan's Kidney Pills. If your back aches, if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Larkin had—the remedy backed by home testimony. 60 cents at all drug stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When your back is lame, remember the name." (adv)

KENTUCKY REPRESENTED AT FARMERS' NATIONAL CONGRESS.

Kentucky will be well represented at the Farmers' National Congress, which meets in Jacksonville, Fla., December 3-6 inclusive, according to assurances received by Director of Sessions B. K. Hanaford.

The gathering is of grave importance to the agricultural interests of the nation. Some of the most distinguished men in the Union will be present to actively participate in the deliberations. Jacksonville is arranging for a great crowd and special rates are offered on railroads. The Congress meets at the same time the Florida State Fair is in "full blast," and a marvelous exhibition is assured.

Presidents Wilson will urge foreign nations to send delegates to the Congress, and problems of great importance will be discussed. Governors of several States have already accepted invitations to be present. Vice-President Sander, of Ohio, has arranged for a special train of delegates from that State.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the blood on the mucous surfaces of the system. One hundred dollars reward offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

F. J. CHENEY & CO., Props., Toledo, Ohio.
Hall's Family Pills for constipation. All Druggists, 75c.

His Mother Needed Money—and She Got It!

AN American soldier hurries along the street of a shell-torn village, keeping close to the shelter of the crumbling walls, and runs up the steps of a battered chateau.

He climbs to a room where sandbags are piled high to the ceiling. Behind a rough counter stands a man of middle age—a man with an emblem on his arm and a smile on his face.

"In a hurry this morning, buddie?" he asks.

"You bet I am," pants the soldier. "We're going into the trenches at noon."

"Can I help you?"

The boy thrusts one hand into his pocket and with the other points to a sign on the wall. It reads:—"SEND YOUR MONEY HOME—ASK THE SECRETARY HOW."

"Can I send this to my mother?" he asks, and draws out a roll of French bills. "She needs it."

"Of course you can," says the secretary. He counts the money carefully—twice—and then does a little figuring.

"That makes \$84.60 in American money."

"And will you see that my mother gets it?"

"We will," is the answer. "I'll give you this receipt and I'll send your money to the nearest headquarters. They will forward it to Paris, and Paris will tell New York to mail your mother a check for your \$84.60."

"How much will it cost me to have you do that?"

The answer is it won't cost him one cent. His mother will get the whole \$84.60. Every week the War Work organizations are transmitting more than half a million dollars from the boys over there to the home folks over here.

Why you should give twice as much as you ever gave before!

The need is for a sum 70% greater than any gift ever asked for since the world began. The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six additional campaigns is saved.

Unless Americans do give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their:

3,600 Recreation Buildings	2,500 Libraries supplying 5,000,000 books
1,000 Miles of Movie Film	85 Hostess Houses
100 Leading Stage Stars	15,000 Big-brother "secretaries"
2,000 Athletic Directors	Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comforts of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club, and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs. Now give to maintain the Morale that is winning the war!

From the time your fighter starts for a cantonment until he reaches a front-line dug-out the seven organizations are ministering to him in big ways and little ways, to take the worries off his shoulders and to carry cheer and comfort to him. One aim—one need—now, altogether!
